Compensation and Incentive Compensation

For details on our compensation and incentive compensation, click the link above. Base salary is determined on a competitive basis and adjusted according to performance, job scope and responsibility, and position-in-range. Base salary considers skills, experience and competitive market value. Below is the general range for a position in this salary grade or leadership level:

Salary Grade	Minimum (Annual)	Maximum (Annual)
LL5	\$138,240	\$261,720

Paychecks

General Salary Roll employees are paid on the 15th and the last working day of each month. Leadership Level 6+ employees are paid on the last working day of the month (one payday per month), except where required by state law. If a payday falls on a weekend or holiday, payday is the weekday prior to that weekend/holiday.

Allow at least 10 to 12 working days after hire/rehire to receive your first paycheck. Direct deposit is available.

Employee Performance and Development

Ford's performance program provides for ongoing performance feedback that supports employee performance and development. The program includes:

- Periodic check-in conversations that establish performance objectives, promote personal wellbeing, and provide coaching for professional development.
- Recognition and reward for employee contributions to business outcomes.

Merit Program

Merit increases to base salary are based on your performance relative to your peers, position in salary range and the merit allocation (based on competitive salary analysis as well as the Company's ability to pay).

Annual Performance Bonus (All Ford Employees, excluding Ford Credit Flex Bonus Rewards-eligible employees and Ford Pro SICP-eligible employees)

You are eligible to participate in the Annual Performance Bonus program, which is a cash bonus plan. Eligible participants receive a bonus target at the beginning of the year and receive quarterly updates on the Company's progress toward achievement of a common set of metrics. Final payment (if one is made) is based on both Company and individual employee performance and is commonly issued in March of the subsequent year. Your award for the year of hire is pro-rated for the number of months of Company service.

Flex Bonus Rewards (FBR) (Ford Credit Company Employees Only)

Employees in select Business and Sales Operations functions are eligible for quarterly bonus awards under the Flex Bonus Rewards (FBR) program. Quarterly target award opportunities are communicated at the beginning of the year and based on salary grade. The award value may be adjusted at management discretion. New hires are eligible to receive a pro-rated award for the number

of months worked in the current payment cycle. For example, if you hire on February 3, you will be eligible for two months of FBR for the Q1 payment cycle.

Sales Incentive Compensation Plan (SICP) (Integrated Services / Ford Pro Intelligence Employees Only)

Sales employees in select Integrated Services / Ford Pro Intelligence Sales functions are eligible for the Sales Incentive Compensation Plan (SICP). The SICP is designed to incentivize and reward achievement of monthly (or yearly) sales quotas. The sales commission rates, ARR sales quotas, and details of the various sales plans are outlined in the respective sales plan documents. Monthly commissions are paid out 45-60 days after month close and are based on product activation date. Employees eligible for SICP are not eligible for the annual performance bonus.

Long-Term Incentive Program

In general, LL5 and above employees are eligible to receive annual awards. The types of awards, as well as the award amounts, vary by Leadership Level and are determined by the Compensation, Talent and Culture Committee of the Board of Directors. The grants normally consist of Restricted Stock Units (RSUs) and are typically awarded in March of each year. Any grants will be subject to Ford's Long Term Incentive Plan and your execution of an award agreement provided to you by Ford. Award nominations are determined based on your overall performance, expertise, and Ford OS behaviors. No individual is entitled to an award; awards are made outside of annual compensation planning, and an award in one year does not guarantee an award in a subsequent year.

Experienced New Hires

Certain new hires with more than five full years of related professional-level work experience at the time of hire may be granted a “Vacation Eligibility Date” (VED) which is five years earlier than their actual Ford Service Date. This VED is used for determining the rate of vacation accrual. You will be notified if you have been granted a VED. In the year of hire, the vacation eligibility of employees granted a VED is as follows:

- If hired January 1 – June 30: 15 days (120 hours)

Purchased vacation is not available in the year of hire.

Flexible Family Care

Full-time employees are eligible for up to 10 paid annual Flexible Family Care days (80 hours) of absences. Flexible Family Care can be taken for your own short-term illness of five or fewer consecutive workdays, to care for a loved one, or for personal business.

Information on New Parent days and the New Parent Ramp-Up Program can be found in the [Family Building Benefits](#) section below.

Holidays

Listed below are the paid holidays that are typically observed at Ford:

If you do not work in a manufacturing plant and are not in a role closely aligned to manufacturing operations, you will be able to take three of these holidays (Good Friday, Day after Easter, and Juneteenth) as "floating holidays", meaning that you can elect to work those days and take the time off on a different day of your choosing.

If your date of hire is between January 1 and June 30, you are eligible for three floating holidays in the year of hire. If your date of hire is July 1 or later, you are eligible for one floating holiday in the year of hire.

The Ford Credit holiday schedule differs slightly from that shown here. Additionally, some Ford Credit offices may be open on a holiday and employees may be scheduled to work.

Vehicle Plans

The best thing about building great products is driving them! The second-best thing: sharing your discount with family and friends so they can drive them, too.

- **A Plan** – This vehicle discount purchase program covers purchases and leases on most new Company vehicles. You can sponsor four A Plan discount purchases (or leases) per calendar year for yourself or an eligible family member.
- **X Plan** – This vehicle discount purchase program is designed to introduce Company products to potential customers who are considering the purchase of competitive products. You can sponsor up to four X Plan purchases per calendar year.

Management Lease Vehicle Program – All Leadership Level Employees

LL5 employees are eligible for two vehicles. Occasionally, eligible employees will be offered an additional, or "incremental," lease vehicle. The incremental lease program is not a core component of the Management Lease Program. It is designed specifically to assist with unusual business circumstances. When deciding to participate in this program, the lessee must understand that future programs are not promised or guaranteed. Employees and eligible family members are eligible to drive the vehicles. The monthly lease fees include maintenance, repairs and insurance.

Talent and Skill Investment Program (TSIP) and the Student Loan Wellbeing Program

The **Talent and Skill Investment Program (TSIP)** is designed to assist you in obtaining educational trainings that further the interests of the Company and are consistent with your Individual Development Plan.

The Company provides a combination of curated 100% tuition funded programming or financial assistance of up to \$6,000 annually if you meet the guidelines/requirements of the training.

Upon hire, review the detailed policy for more information before applying.

The **Student Loan Wellbeing Program** is an educational financial wellbeing platform designed to help you strategize and optimize your student loan debt. If you currently have student loan debt, the tools will assist in analyzing each individual specific student loan situation and can help you optimize your repayment plan. If you don't currently have student loan debt, the tools can be used to help plan for returning to school or saving for your child(ren)'s future education.

Relocation Benefits

Ford offers a comprehensive relocation program that provides financial assistance, professional services and administrative support if you relocate at the request of the Company. To be eligible for the Ford relocation program, the distance over the shortest, most commonly traveled route from your old residence to your new principal work location must be at least 50 miles.

If you're eligible for relocation benefits, you'll be connected with Ford's Relocation Management Company (RMC), which administers the relocation policy and assists eligible employees through the relocation process. Please speak with the RMC prior to initiating any relocation activity, including contacting real estate brokers/agents, to maintain your eligibility for benefits.

Voluntary Benefits

You are eligible to participate in a comprehensive, money-saving benefits program specially designed to protect the financial security of you and your family. These optional benefits include legal assistance; accident and critical illness insurance; homeowners' and renters' insurance; pet insurance; a "discount marketplace" offering discounted travel, event and attraction tickets; and more.

Accessories of Choice

The Accessories of Choice program allows you to select computer accessories (headsets, keyboards, mice, backpacks, etc.) that best fit your technology needs.

Work-Life Initiative

Today more than ever, individuals are struggling to balance the increased complexities of personal and work life. As a result, Ford ensures that our programs, policies and employment practices recognize the diverse needs of all our employees, allowing them to contribute their maximum effort at work while at the same time fulfilling their personal and family responsibilities. Examples of formal work-life programs include:

- **Flexible Work Patterns** - Most salaried employees have a "hybrid" work pattern. In the hybrid work pattern, you will split your time between working at an on-site location and working remotely. Certain roles are place-dependent, meaning you are required to report to your assigned work location every day. A small number are fully remote, meaning you work from an off-site location (generally your home) all, or nearly all, of the time. Your hiring manager will specify the work pattern applicable to the position.
- **Alternative Work Schedule (AWS)** - With an AWS, you may arrange to work fewer, longer days so that you can have regularly scheduled time off during the week.
- **Alternative Starting Time** - You can determine start and quit times within reasonable limitations and with your People Leader's approval, while not impairing operational effectiveness.
- **Reduced Work Schedule (formerly known as Transitional Work Arrangement Program)** - You can work a reduced schedule (16-36 hours per week) with pay and benefits reduced proportionately. With management approval, participation may be approved for the following reasons: personal/family, education/career development or community service.

Global Diversity Initiative

Ford has demonstrated a commitment to diversity and inclusion by endorsing and leveraging the power of employee resource groups, various organizations of employees who share a particular affinity or have similar life experiences. These groups have a desire to use those similarities to create cross-functional workplace connections, provide professional development and advance business imperatives. They hold educational and cultural events and collaborate to support many diversity-related efforts. Participation is open to all Ford employees.
