

Ford COVID-19 Visitor Questionnaire

Updated as of 3/6/2020

The safety of our employees, supplier partners, customers, families and visitors remain Ford’s overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, Ford Medical and Security are monitoring the situation closely and will periodically update company guidance based on current recommendations from the Centers for Disease Control and Prevention and the World Health Organization. Only business critical visitors are permitted at any Ford facility at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
